This will acknowledge receipt of your letter of April 12, 1954, in which you requested that I suggest some means for you to obtain outside assistance in the resolution of your alleged cause of action against [redacted]. My advice would be that you present the details of your case to the Legal Aid Bureau in Washington, located at 805 G Street, N. W., as the best place for you to get competent objective advice without incurring large expense.

Very truly yours,
